INTRODUCTION

Carteret Currents Swim Team

The Carteret Currents Swim Team is a competitive swimming program designed to help each individual swimmer reach their fullest potential; from the beginning level competitive swimmer to the nationally ranked athlete. Each member of the swim team is urged to set their goals and progress at his or her own pace. The swim team provides a learning environment about swimming in a structured, disciplined and enjoyable way.

There is a great deal more to swimming than just learning the four strokes. The swimmers learn the values of proper nutrition, the necessity for setting goals, the value of positive thinking, and the importance of conditioning, the need for teamwork, and the benefits of self-discipline. The program builds self-esteem in all the swimmers.

The competitive spirit and discipline of young swimmers carry over into other aspects of their lives. One typical result is that the average academic achievement of swimmers is well above that of all other students. The lessons that the children learn through swimming will prepare them for whatever the future may hold for them.

DUES STRUCTURE

Dues will not be charged to new swimmers trying the team for the first two weeks. After the two weeks, fees stated below will be required. The dues for the remainder of a month will be prorated.

All swimmers are required to be registered with USA Swimming at a current fee of \$50.00 per year. In addition there is a \$50.00 per year team fee per swimmer. This is PER SWIMMER and valid until August 31 of the following year. With the fee, the swimmer will be registered with USA Swimming, receive a team shirt, and team swim cap.

The dues structure is based on what practice group the swimmer is in based on his/her ability. Dues range from \$60.00 to \$100.00 month, depending on the practice group. More detailed information regarding practice groups and descriptions can be found beginning on page 8 (at end of the handbook).

Multi-child discounts are offered:

- First Child - full price
- Second Child - \$10.00 off
- Third Child - \$15.00 off
- Fourth Child - \$20.00 off

The TEAM FEE will be capped at \$100 per family. Note that the USA Swimming fee is per swimmer with NO discount given.

If paid annually, 10% percent of total will be subtracted.

Example: 12 mo x \$60 = \$720 – 10% = \$648, a savings of \$72

DUES ARE TO BE PAID BY THE FIRST OF THE MONTH and can be paid monthly, quarterly, or even yearly (will receive 10% discount if paid in full for the year). Rather than wait for a bill each month, parents are responsible for making sure that dues are paid in the stated manner. **DUES ARE DELINQUENT AFTER THE 10th OF THE MONTH**, and at that time a reminder notice will be sent out to anyone who has not yet paid. **There will be a \$5.00 late fee for dues not received by the 10th.** *If dues are not paid by the end of the month, you will be notified that your swimmer is not eligible to participate until dues are brought current.* Checks are the preferred method of payment for security and accounting reasons. Please mail your dues to the team address or deliver your dues checks to the coach prior to or after practice.

Also please note: Dues are to be paid even if your swimmer stops for a time. If dues are not kept current, there is a \$100.00 reinstatement fee per swimmer. If needed, please discuss your swimmer's situation with the team president, Paul Quinn, or the team treasurer, Kim Boyd. You may reach either at carteretswim@yahoo.com.

*Exemptions to this reinstatement fee are given with a documented injury that has a swimmer out of practice and meets for a time period in excess of 2 months. Documentation of the injury may be required.

Each **FAMILY** is responsible for a yearly fundraising commitment. Please refer to the next that section of the Handbook for more information.

Meet fees will be collected per the meet entry procedure. The fee for each meet will be provided with the meet information, usually around \$15.00 per day plus any pool surcharges.

Individual hardship cases will be handled in private with the team president and treasurer. Suits, goggles, extra swim caps, are the responsibility of each swimmer.

FUND RAISING COMMITMENT

The Carteret Currents Swim Team holds several fundraisers and events throughout the year. We depend on these to ensure our team remains financially viable, (to keep dues as affordable as possible) as well as to raise team spirit and camaraderie. Traditionally our team fundraisers are; The Seafood Festival Parking Fundraiser (October), our Home Swim Meet (June) and our yearly team yard sale. These events not only raise funds but are a great opportunity to raise team morale and help foster the “family feeling” that we encourage on our team.

Each **family** is required to participate in team fundraising in one of the following 3 ways during the swim year. September 1-August 31

1. Contribute at least 20 hours of time to one of the above mentioned fundraising events, or other such events approved by the board.
2. Make a cash contribution to the team in the amount of \$200. *If paid in one installment, by February 1, 10% will be deducted.*
3. Contribute a combination of hours and money. Each hour worked for the team will reduce your monetary obligation by \$10

Example;

You work 10 hours at the home meet and pay \$100 to the team.

Any remaining hours are to be paid prior to registration for the next swim season.

Swim-A-Thon: The money raised through Swim-A-Thon participation is ***separate from the general fundraising commitment.*** A swimmer is expected to participate in the Swim-A-Thon and obtain pledges and donations to the best of his or her ability.
